Email 1 — Student to Professor (Deadline Extension)

Subject: Request for Extension – Fundamentals in AI ML BYOP Submission

Dear Professor K. K. Mohan,

I hope this message finds you in excellent health. My name is Anwesha Dhote, and I am a First-Year Student of B.Tech CSE AI ML (Registration No: 25BAI10996).

I am writing this mail to humbly request an extension for the Fundamentals in AI ML BYOP, which is scheduled for submission on 27 March 2026. As other VITyarthi and subject-specific projects are also at their deadline, it is not possible for me to submit my work to the best of my abilities within the stipulated time.

I apologize for any inconvenience this might cause. It would be great if I could get an extension of 3-5 days. I assure you that my work will be submitted within 31 March 2026 at the latest.

Thank you for understanding my request.

Sincerely,

Anwesha Dhote
